About Me

I am a passionate and driven individual currently pursuing my studies in Informatics at Tshwane University of Technology. I hold a Diploma in Informatics and am working towards an Advanced Diploma, which I expect to complete by

1. My educational background has provided me with a strong foundation in various aspects of technology, including Computer Application Technology and basic Java programming. I have developed a keen ability to analyze organizational challenges and devise effective solutions.

During my time at the university, I gained practical experience as a Software Tester at 4IR LAB, where I honed my skills in software testing and learned to use various management and automation tools. I actively participated in ICT programs, which allowed me to network with professionals in the field and expand my skill set. I am a self-motivated and hardworking person with a positive outlook on both my career and life. I am eager to apply my knowledge and continue my growth in the ICT sector.

Education

Tshwane University of Technology

- **Diploma in Informatics** (2021 - 2025)
- **Advanced Diploma in Informatics** (In Progress, 2026 - 2027)
- **Major Field:** software tester

Phunyako High School

- **National Senior Certificate** (2020)
- **Stream:** Business Studies and Mathematics Literacy

Technical Skills

- **Software Testing:** Experienced in functional testing, identifying bugs, and ensuring software quality through systematic test plans and documentation.

- **Business and System Analysis:** Proficient in gathering, analyzing, and documenting business requirements. Skilled in creating process flows and supporting system improvements.
- **IT Project Management:** Knowledgeable in project planning, coordination, and execution using established project management principles and methodologies.
- **Database Management:** Familiar with various database management systems, including creating, maintaining, and troubleshooting databases.
- **Programming (Java):** Solid understanding of Java fundamentals, object-oriented concepts, and basic coding practices.
- **Microsoft Office Suite:** Proficient in Word, Excel, PowerPoint, and Outlook for documentation, reporting, and presentations.

Soft Skills

- **Attention to Detail:** I have a keen eye for detail, which helps me ensure accuracy in my work.
- **Team Collaboration:** I thrive in team settings and enjoy working with others to achieve common goals.
- **Critical Thinking:** I approach problems analytically and am skilled at developing logical solutions.
- **Adaptability:** I am flexible and can adjust to new challenges and environments with ease.
- **Effective Communication:** I communicate clearly and effectively, both verbally and in writing, which helps me convey ideas and collaborate with others.

Languages

- **English**
- **Sepedi**

Experience

I have gained valuable experience working as a Software Tester at 4IR LAB at Tshwane University of Technology for 11 months . During my time there, I learned to manage various performance and automation tools, including Selenium, Cypress, Postman, Playwright, JMeter, Trello, and Jira. This hands-on experience has not only enhanced my technical skills but also provided me with insights into the software development lifecycle and the importance of quality assurance in delivering reliable software products.

References

- **MM Mothapo:** [072 799 0683](tel:0727990683)
- **Prof. Puis:** [082 975 0484](tel:0829750484) (4IR Lab)

I am excited about the opportunity to contribute to the ICT field and am looking forward to applying my skills and knowledge in a professional setting. Thank you for considering my application.
